## Colorado Residential Energy Upgrade (RENU) Loan

The RENU Loan program is a statewide residential loan program, sponsored by the Colorado Energy Office (CEO), that makes home energy upgrades easy and affordable by offering low-cost, long-term financing for energy efficiency and renewable energy improvements.

### Colorado RENU Loan Terms

- Loans up to \$50,000
- Up to 100% of the project cost
- Competitive, fixed interest rates starting at 2.75%
- No-money down financing for up to 15 years (20 years for solar PV)
- No pre-payment penalties

### What can you finance?

- HVAC equipment (furnace, A/C, heat pump, whole-house fan, water heater, etc.)
- Insulation and air sealing
- Windows
- Solar PV and solar thermal
- Up to 25% of project cost towards health and safety measures

**Take control of your energy costs and make your home more comfortable today!**

Go to [www.corenuloan.com](http://www.corenuloan.com) for information.

## Here's how to participate

1. Work with a RENU-authorized contractor to identify qualifying energy improvements and a project cost estimate for your home. To find a contractor near you, go to [www.corenuloan.com](http://www.corenuloan.com).
2. Apply for a loan through a participating RENU lender:
  - a. To apply for a loan with Elevations Credit Union call **800-429-7626** or visit [www.elevationscu.com/loans/energy-loans](http://www.elevationscu.com/loans/energy-loans)
  - b. To apply for a loan through Clean Energy Credit Union, call **720-479-7900** or visit [www.cleanenergy.org/](http://www.cleanenergy.org/)
3. Contractor installs Colorado Energy Office-approved eligible energy measures.
4. Customer signs the loan closing documents allowing the lender to pay the contractor directly.
5. Start enjoying your home energy improvements and begin repaying the loan directly to the lender.

Questions? We're here for you.
