

GreenDeed Phase I

2023 Program Summary

GreenDeed is a partnership between GVRHA and the Town of Crested Butte that provides free energy efficiency assessments and upgrades for deed restricted homes in the Town of Crested Butte. **GreenDeed** aims to drive energy efficiency in Crested Butte's building stock while simultaneously ensuring our resident's homes remain affordable and comfortable.

18 Homes Served

What Did We Improve in 2023?

51

LED lightbulbs

12

Air sealing projects

4

Attic insulation

12

Programmable thermostats

7

Water heater insulation, low flow sink aerators

6

Energy efficient appliance replacements

By the Numbers

\$1,356

average investment per home

\$115

average projected annual savings per home

15%

average decrease in building air leakage

8.4

total metric tons of carbon saved annually
